## Summary

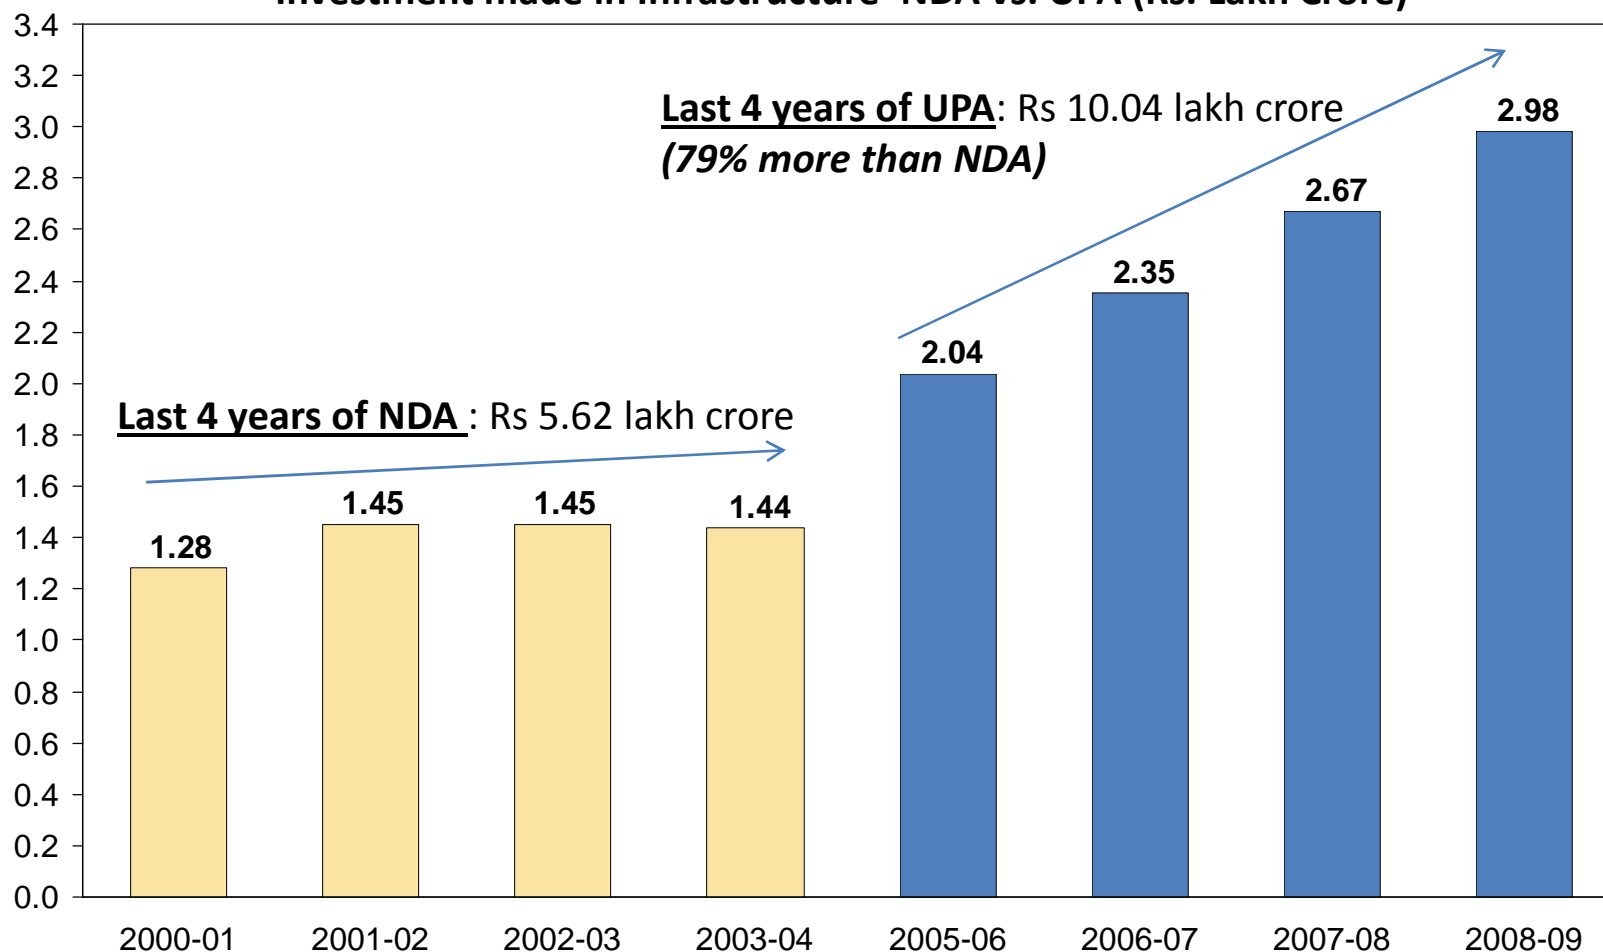

---

- The BJP has recently released an “Infrastructure Vision”, which list out a number of recycled ideas for India’s infrastructure
  - BJP has alleged that “the UPA rule has proved to be a disaster for infrastructure development”
- Once again, the BJP is providing blatant untruths to the people of India in order to mislead them, as it has little to show for its own performance when in power
- This document puts forward some facts that show how the UPA has outperformed the NDA in infrastructure development
  - UPA has invested at least 79% more on infrastructure than the NDA
  - UPA has shown better results in telecom, power, roads, railways, ports and civil aviation sectors
- Once again, the facts speak for themselves

## The UPA increased spending on infrastructure by 79% compared to the NDA

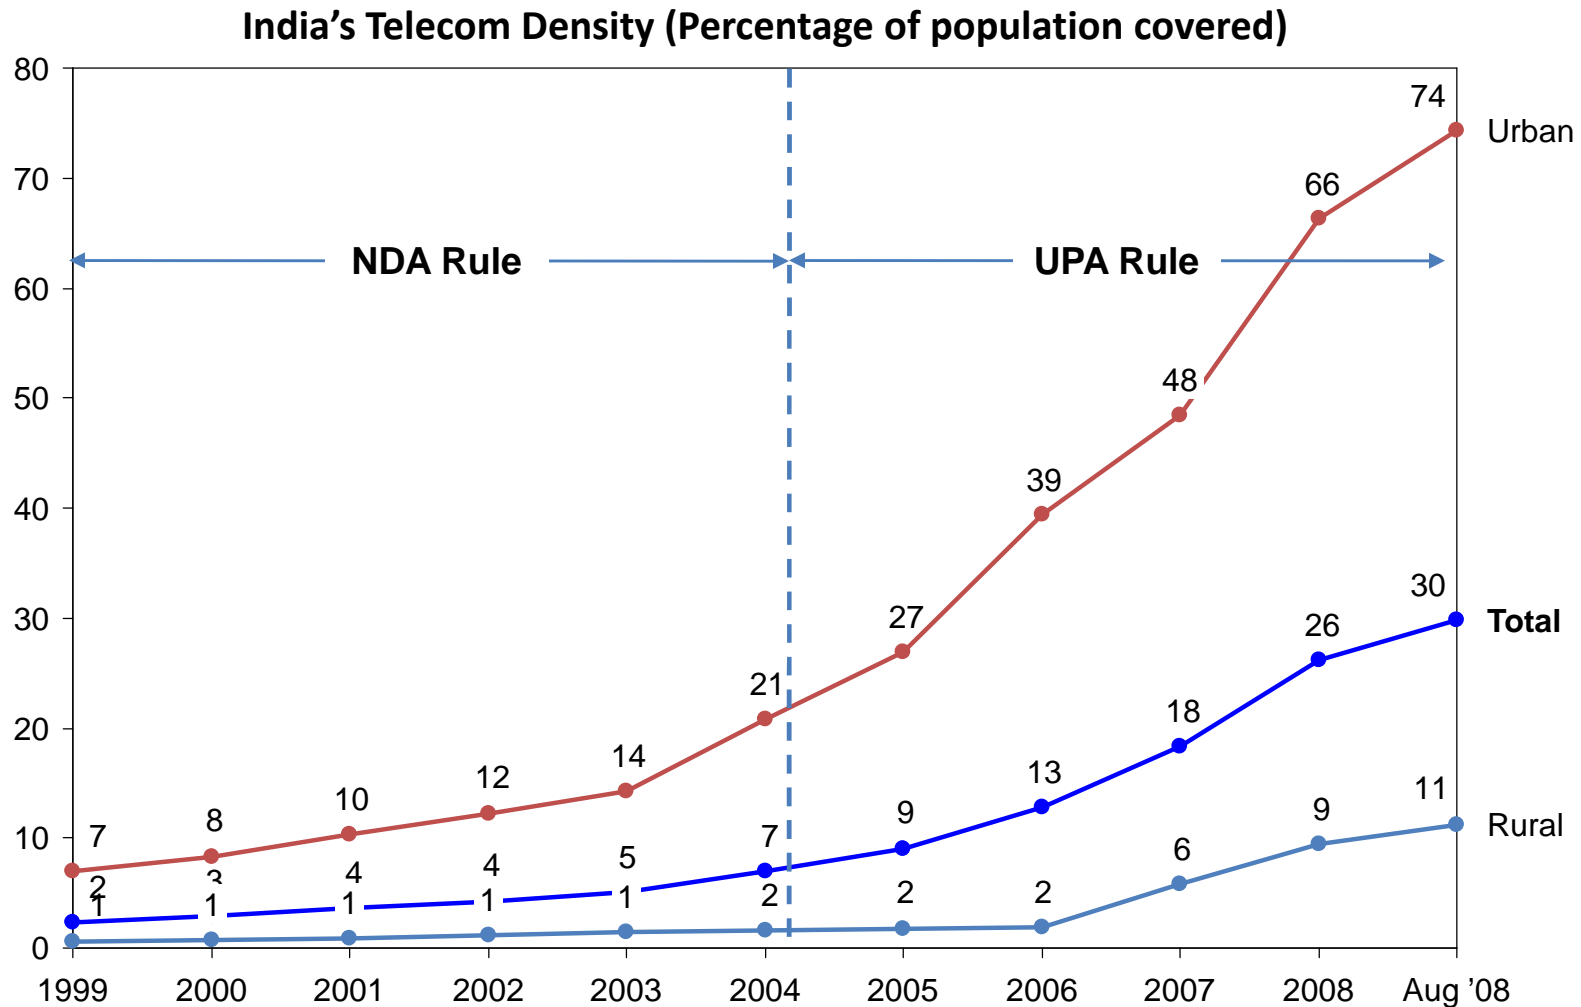

Investment made in Infrastructure NDA vs. UPA (Rs. Lakh Crore)

Note: Numbers for 2007-08 onwards are based on 11<sup>th</sup> Plan projections
